The Strategic Level Prayer Journal serves many people around the world hence we have divided it up into a **daily** “Kairos” moment by moment tool. Many people are busy and often find it very voluminous but we have served you well by segmenting it into days, prophetic actions and comics for convenience.

## THE PROPHETIC ELEMENT OF TIMING

“The heavens declare the glory of God” (Psalm 19:1). Also see Psalm 8:1–3. We look at the moon and the stars and want to know what glory of God they are declaring. They are declaring the redemptive plan of God into the earth realm and we need to walk in it. The heavens are a circuit (Psalm 19:6). Your time piece is a circuit and the hands are on circuit journey and the seconds tick! You can picture this as the Word of God encircling the earth. If we understand this and receive it, we can pull His Word into the earth realm, in a manner of speaking. What is the redemptive plan of God for that month we’re entering into (Rev. 22:2)? We need to understand it and then walk it out. The heavens get on a circuit; the word of God gets on a circuit. Earth also has circles around it. Psalm 19 talks about the word encircling the earth until we begin to pull it in and manifest it. Our mouths are PORTALS. Time is not A to B but goes in circle. Now let’s go to work and pull-down great miracles. The circle that is due in this time is as follows:-

## War with Your Words

Things that pertain to this season of October	Steps You Can take in prophetic prayers	Your Notes and Comments (Testimonies)
Just like the meaning of Manasseh’s name (“I am now past; I can forget the former suffering” [Gen. 41:51])	Decree God’s blessing that your hardships be forgotten and your sufferings. Release God’s wisdom in you to manifest endurance and long suffering. Remember Jesus, “who for the joy that was set before Him endured” (Heb. 12:2).	
This is the biblical month of Noah’s flood (one year and ten days)	Floods are moving in many lives and circumstances. Rev. 12:15-17-the serpent cast out of his mouth water as a flood...so that the woman might be carried away but the earth opened her mouth and swallowed up the flood-That is war! Take	

	<p>Ps 93:3-5 into your mouth because the “floods have lifted up their voice” and speak verses 4 and 5- slam the voice of the waters and flood and their waves . Silence their voice. Command the earth to help you and swallow all voices casting voices at you.</p>	
<p>A biblical month reserved for the anointing. The anointing will break the yoke (Isa. 10:27). but the oil within has to be pressed out. Rejoice, even though circumstances may be difficult; the Lord is using your circumstances to increase the anointing for you (James 1:12). Also, without a new anointing, Satan can gain an advantage.</p>	<ol style="list-style-type: none"> <li>1. Press the oil within you to the surface</li> <li>2. <p>It is the time of the fragrance of God-the myrtle Tree.</p>	<p>War with your words in Isaiah 55:13. “Instead of the briar shall come up the myrtle tree.” Thus, it’s a month to smell the awe of God. ### 2018-2019 Prophetic Word

In the last decade from 2010 to 2019 we have stated before that it is about “seeing” what God is saying about you, about your life, about the plans he has for you and for the world around us.

There is a conjoined with the Hebrew Letter “Ayin” a picture symbol of an eye and characterized by number 70. Every year in the Ayin Decade coincides with another letter in the Hebrew Alphabet which has a prophetic Heavenly significance, just as the institution of the feasts (Passover, Pentecost and Tabernacles) as God’s appointed times of the Old Testament.

This coming year, 2019 in the Roman calendar, coincides with the Hebrew year 5779, 70 being again part of the “Ayin” decade but also 9 being a “Tet” or the PICTURE SYMBOL OF AN OPEN CONTAINER. Thus, we can expect 2019/5779 to be a continuation of the last ten years, in which God has been inviting us to “see” what He is saying. The letter “tet” has a numeric value of 9 and it is after 9 months that a woman gives birth.

Prophetically, then this points to the end of an age and birthing of something new. In actual fact the letter “tet” in the Hebrew alphabet points to the entering the HOLY of HOLIES. Jesus entered the holy of holies for us. The high priest made it into the temple every year with the blood of clean animal for it to be acceptable before God. Jesus entered the Holy of Holies with his own blood for us and it was acceptable. This acceptance is proven by the resurrection of Jesus Christ from the dead. Through Jesus we have peace with God and we find our rest in Him. The early church gave evidence for the resurrection of Jesus by which we have the new birth.

The word GOOD has roots in the word “tet” as in Genesis 1:4. The light was good. This LIGHT is the light of the world -Jesus. In John 17 -the Holy Spirit draws attention to the words of Jesus for 2019. The passage in John 17 points to UNITY which is essential to FRUITFULNESS.

IN THE YEAR 2019 we have pointed out that birthing something new will be significant for your life, family and work. For a couple to produce a baby in the 9<sup>th</sup> month it would take unity between both. So, 9 is significant for year.

1. It will be a year to test how much of the fruit of the Spirit is operative in the believers and the fruit of the spirit is 9-Gal 5:22-23-God will look to see how genuine the fruit is His children over the years- love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control
2. 2019 is a year to look and see what gifts of the Spirit are present in your life. The gifts are 9- wisdom, knowledge, faith, healing, miracles, prophecy, discernment, tongues,

interpretation of tongues-1 Cor.12:8-10. These will have to be on display to solve the problems of families, society and the visible world in the coming year. So , it is a year of the New Wine.

3. 2019 is a year to look and see how well you have allowed the Spirit of God to transform you into the image of His son. The beatitudes are 9. Blessed are the poor in spirit (1), for theirs is the kingdom of heaven. Blessed are those who mourn (2), for they shall be comforted. Blessed are the gentle (3), for they shall inherit the earth. Blessed are those who hunger and thirst for righteousness (4), for they shall be satisfied. Blessed are the merciful (5), for they shall receive mercy. Blessed are the pure in heart (6), for they shall see God. Blessed are the peacemakers (7), for they shall be called sons of God. Blessed are those who have been persecuted (8), for the sake of righteousness, for theirs is the kingdom of heaven. Blessed are you (9) when men cast insults at you, and persecute you, and say all kinds of evil against you falsely, on account of Me-Matthew 5:3-11.
4. As we said earlier that 9 has to do with unity-TOTAL AGREEMENT to produce fruit. We see a prophetic example of the year reflected in Abraham who was 99 when he births a son. 2019 is the year that speaks for you to agree with God.
5. 2019 is a year of multiplication. In Multiplication, there are two factors that equal a product. We must discover that multiplication is a principle of life, but more than that, it is a Law of Life...a life-assignment from God! (Gen.1:26-28). It is in this life-assignment context that we apply the Law of Multiplication. God has given us the Law of Multiplication so that we can fulfil our life-assignment to “be Fruitful!” Jesus reiterates the importance of our life-assignment in John 15:8 and verse 16: “By this My Father is glorified, that you bear much fruit; so, you will be My disciples.” “You did not choose Me, but I choose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatever you ask the Father in My name He may give you.” You must decide what you want to Multiply in your life...be specific.

There are always 2 factors that equal a product...what needs to come into agreement in your life right now? What spiritual “product” are you looking to produce? This is very important because it will determine your “factor” . In our ministry @ Fullstature Missions International or any FMI work our two “factors” in 2018/2019 are: Order X Personal Responsibility = Measure of Rule (Increase). God wants you to “BE FRUITFUL.” God has chosen you and given you the Law of Multiplication as your life-assignment. Look again at Matt 25 at the parable of talents.

6. If we go back to 1940. Many of us were not even born then but 3 scientists-Enrico Fermi, Leo Szilard, and Eugene Wigner-working in a laboratory in the University of Chicago, split the atom and confirmed the Albert Einstein:  $E=mc^2$  equation. This resulted into the multiplication of energy in the order of 6 million-to-one. Scientist soon increased that to 50 million-to-one.
7. 2018/2019 will be a year when faith will be demonstrated in greater measure. As was seen in the days of Jesus, it was faith that brought healing. Mark 5:34, “He said to her, ‘Daughter, your faith has healed you. Go in peace and be freed from your suffering.’” Luke 17:19, “Then he said to him, ‘Rise and go; your faith has made you well.’” It

takes Faith to see the unseen. It takes faith to believe what is hidden in darkness can be overcome by the light. 5779 is the year Faith will defeat Deceit and Unbelief.

8. 2018/2019 is a year when many believers will see the snake in the grass and confront it with Great Faith, while those who are lacking in faith will see the snake steal their inheritance from them as the serpent stole from Adam and Eve that day in the Garden. We will dwell beyond the snake line. This will be a year to guard your heart against loss. Just as a seed must die in order to produce new life, some things in your life will need to pass away in order for the sanctified version to spring forth, likewise, some places that were dead to you will suddenly be revived as the enemy is commanded to return to you everything he has stolen. Jesus went down we also go down. Jesus went up we also go up!
9. Spiritual warfare will intensify and there will be more wars. David had to battle through his own share of wars in order to prove himself a man after God's heart. War is a great purifier separating men and women of valour from those of ill will. Jesus' words in Matthew 10:36-42 are a key to how this year will go for many:

He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me. And he that taketh not his cross, and followeth after me, is not worthy of me. He that findeth his life shall lose it: and he that loseth his life for my sake shall find it. He that receiveth you receiveth me, and he that receiveth me receiveth him that sent me. He that receiveth a prophet in the name of a prophet shall receive a prophet's reward; and he that receiveth a righteous man in the name of a righteous man shall receive a righteous man's reward. And whosoever shall give to drink unto one of these little ones a cup of cold water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward.

## DROWNING AMONG ISRAELI SETTLEMENTS, AN ANCIENT CHRISTIAN VILLAGE IN PALESTINE STRUGGLES TO SURVIVE

Nestled in the hilltops of the central occupied West Bank, an ancient Palestinian Christian village is gearing up for a fight against the Israeli occupation that it has all too much experience with.

In late July, the village of Aboud, whose existence dates back two millennia, was handed an

order by Israeli authorities confiscating some 324 dunums (80 acres) of land shared by Aboud and its neighboring village al-Lubban al-Gharbiya. Israeli authorities confiscated the land under the pretext that it would be used to build an Israeli-only road between the two illegal settlements of Beit Arye and Ofarim — both of which are built on the lands of Aboud. The villagers however, insist that this time, it is not an ordinary tale of land confiscation — something they have been subject to for decades. “There is already a road that exists between the settlements, so they are lying to us when they say they are taking the land for this purpose,” 70-year-old Abdullah Sharqawi, a resident of Aboud, told Mondoweiss.

“It is clear what they are trying to do,” he said. “They want to use the land to build new houses and create a settlement bloc in the area.” Sharqawi’s predictions were more than just a speculation held by one elderly man.

His fears were echoed by other villagers and local officials who spoke to Mondoweiss, each of whom recounted stories of decades of land confiscation and settlement expansion that has led the village to its current state: a dwindling piece of history fighting to stay on the map.

‘As long as the settlers are happy’

Located just 10km east of the Green Line, the Tel Aviv skyline visible through the mountains even on a hazy day, Aboud is a quiet village filled with Muslims and Christians, whose families have lived on the land for centuries.

Thousands of dunams of land have been confiscated by Israel from the village over the years for different purposes, including the building of illegal settlements and outposts on Aboud’s lands, the construction of Israeli bypass roads in order to connect neighboring settlements, and the Israeli separation wall.

Over 760 dunams of village land, around 5.2% of the total village area, has been used for the construction of Beit Aryeh to the north and Ofarim to the southwest, which are home to more than 4,000 settlers.

According to the Applied Research Institute — Jerusalem (ARIJ), Aboud was divided between Area B (16.8% of total area) and Area C (83.2% of total area), the latter of which falls under complete Israeli civilian and security control, making it “illegal” for Palestinians to build on the land.

Yousif Mas'ad, former mayor of Aboud village (Photo: Yumna Patel)

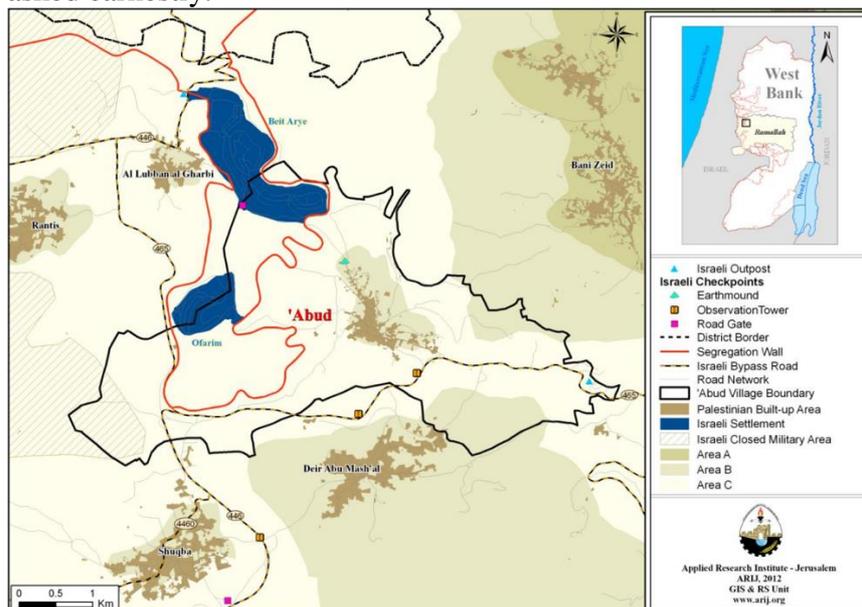

“All of the village residents live in the borders of Area B,” Yousif Mas'ad, the former Mayor of Aboud, told Mondoweiss. “The rest of the land, that is Area C, is agricultural and used by farmers in Aboud.”

Mas'ad told Mondoweiss that Israeli forces began working on the land that was confiscated almost immediately after the village was given the notice last month.

“They have been working on this road every day, non-stop, except on Saturdays,” he said.

“But it is hard to believe that they want to use this for yet another road,” he said, highlighting the fact that the Israeli government has already confiscated dozens of acres of the village’s land for existing bypass roads, which according to ARIJ, number to three roads.

“The settlements of Beit Arye and Ofarim are only two kilometres away from each other, and there is already a road that exists between them. Why do they need another one?” Mas'ad asked earnestly.

Mas'ad pointed out that while the settlers have several roads to choose from, the road connecting Aboud with its neighboring village al-Lubban al-Gharbiya has been permanently closed off since the Second Intifada.

“What should be a less than five-minute journey for us, actually takes 30 minutes,” he said. Laughing, Mas'ad remarked “but as long as the settlers are happy and comfortable, right?”

“Our fears that they will use the land to create a large settlement bloc on this land, much of which is privately owned, doesn’t come from nothing,” Mas'ad said, as he pointed to existing massive settler conglomerates in the West Bank like the Gush Etzion bloc in the Hebron district, and the Ariel bloc in Salfit. “This has been done before.”

As he sat among some of his former colleagues in the village's municipality office, Mas'ad began to list all the farmers and their families who would be affected by the land grab.

"More than 45% of the villagers work in the agricultural sector," Mas'ad said. "If they lose this land, it will not only affect their personal livelihoods and that of their families, but also the entire economy of the village."

#### A bleak future for farmers

Seventy-year-old Abdullah Sharqawi, the patriarch of one of Aboud's Christian families, is one of the local farmers who potentially stands to lose the most as a result of the land confiscation.

Sitting in his Ottoman-era stone home, where pictures of his children on their wedding days hang on the paint-chipped walls, Sharqawi wipes his brow as his wife prepares fresh lemonade, with lemons picked from their garden.

"My family has owned hundreds of dunums of land in Aboud for centuries. Our roots date so far back, I cannot even count," he told Mondoweiss. "In 1948, when we saw how much land was being taken and how much was being destroyed by Israel, my grandfather and father decided that we should plant our land, because surely, we thought, they cannot destroy land that is planted and grows fruits of the earth," Sharqawi said.

The hopes of preventing the theft of their land began to fade away with the construction of Beit Arye and Ofarim in the 1980's. "First they would take the land, and say 'oh you can still come to farm it', but slowly, as time went on, they began to push us out completely until we were not able to reach some parts of land at all," he said. "At one point, about 10 years ago, they uprooted 26 olive trees to make way for a settler road," Sharqawi told Mondoweiss, as he expressed fears that the land he currently has access to, which falls under the confiscated area, will suffer a similar fate.

"On that land, which they said they are using to build the road, we have 400 olive trees, 200 almond trees, grape vines, fig trees, everything," Sharqawi said. "These trees support the livelihood of 15 people in our family, and provide food to the people of the village and people all over Palestine."

For Sharqawi, even if the land is used to build another road, it is only a matter of time before new settlement houses start popping up alongside it.

"For now, maybe they will let me access the land. But inevitably, with time, they will tell me no, it is not allowed," he said.

Faint hope of justice

According to Mas'ad and other officials in the Aboud municipality, the village has collected all the necessary paperwork and has hired a lawyer to bring proceedings to fight the confiscation.

“We cannot stand to lose more and more land like this,” remarked one municipality employee, who asked to remain unidentified. “The least we can do is try to fight it, even if we know deep down, the possibility to win is very low.” Mas'ad and the others in the office nodded in agreement. “But, at the end of the day, this is a huge injustice,” Mas'ad said.

“We know it is a difficult case to win, but maybe we have a chance because we have the documents proving that the land is privately-owned, meaning that settlement construction on it is even illegal under Israeli law.” As the municipality workers went back and forth, exchanging theories and weighing possibilities, Sharqawi brushed off the plan to file a case in Israeli court against the settlers.

“If the Israelis are the ones who are taking away the land, how can we possibly trust that they could deliver us justice?”

## **ACLJ Defends Christians Facing Persecution in the Middle East and Nigeria at the U.N. by News Staff : Sep 21, 2018 : ACLJ.org**

<http://aclj.org/persecuted-church/aclj-defends-christians-facing-persecution-in-the-middle-east-and-nigeria-at-the-un>

...First, it is imperative for the U.N. to declare that the atrocities ISIS has been carrying out against Christians and other religious and ethnic minorities constitute genocide. A declaration of genocide is necessary because it will open avenues of aid that would otherwise be unavailable to the victims of genocide. Second, the U.N. must provide the assistance and security necessary to clean-up the destruction caused by ISIS' genocide and to allow for the lasting resettlement of the victims of ISIS' atrocities, including those who survive the genocide.

[[ACLJ.org](http://aclj.org)] [Recently]—through our affiliate, the European Centre for Law and Justice (ECLJ)—we delivered two critical oral interventions at the U.N. Human Rights Council on behalf of Christians facing the humanitarian crisis as a result of the ISIS genocide, as well Christians facing violent attacks at the hands of Boko Haram and the Fulani Herdsman. (Photo: United Nations/Creative Commons-Pixabay)

In our oral intervention on the victims of the atrocities being carried out by Boko Haram and the Fulani Herdsman, we told of the dangers children, especially Christian children, face on a daily basis. We told stories of how these groups attack children at school, church and even result to kidnapping girls from boarding schools. We also told the story of Liya Sharibu, who was kidnapped and remained captive simply because she would not renounce her Christian faith.

You can read our oral intervention on Nigeria below:

In Nigeria, children are the most vulnerable victims of the attacks being carried out by Boko Haram and the Fulani Herdsmen. These groups have been known to attack churches, schools and even resort to kidnapping Christian school girls in order to marry them to Muslim men. Already this year, Fulani Herdsmen have murdered over 6,000 Christians, many of whom are women and children.

Reports indicate that since 2013 Boko Haram has abducted approximately 1,000 children in northeast Nigeria. These attacks and kidnappings have been carried out when kids are at school and are most exposed. It is estimated that Boko Haram has killed over 2,000 teachers and has destroyed more than 1,400 schools. They routinely attack girls' boarding schools in order to kidnap the students.

In February of 2018 Boko Haram insurgents abducted 110 students from a girls' boarding school. A month later Boko Haram released 104 of the students. One schoolgirl, Liya Sharibu, however, continues to be held captive simply because she refuses to renounce her Christian faith.

Attacks carried out against school children are especially heinous. Children should feel safe and secure at school. In Nigeria today, this is not the case. Children go to school fearing that they may be killed or kidnapped. The UNICEF representative in Nigeria, Mohamed Malick Fall, stated, "These repeated attacks against children in schools are unconscionable ... Children have the right to education and protection, and the classroom must be a place where they are safe from harm."

This body must act now to ensure that children are free to be children. They should be able to attend school, learn, and grow without the constant threat of death. We must act now to put an end to these atrocities being carried out by Boko Haram and the Fulani Herdsmen.

In our oral intervention on Christians in the Middle East we reminded the U.N. that even though ISIS is on the run, there is still much to be done to address the needs of the victims. The U.N. must work to ensure the lasting recovery and resettlement of the victims; and in order to do so, it is imperative that the U.N. recognize these atrocities as genocide and further provide meaningful assistance and security for the victims on the ground.

You can read our oral intervention below:

ISIS' systematic pattern of widespread murder and sexual abuse has forced thousands of Christians from the Middle East. The acts that have led to the nearly wholesale destruction of Christians as a group in the region include massive deportations, widespread killings, and countless rapes.

These atrocities have forced thousands from their home and the victims are facing a grave humanitarian crisis. In addition, continued conflict within region poses a hindrance to the lasting resettlement of the victims. The victims of the ISIS genocide in the Middle East deserve the recognition and protection from the international community, yet the world's premier international body has failed to recognize that they are in fact victims of genocide. Time is running out and we must take action now.

The action we request today is two-fold. First, it is imperative for the U.N. to declare that the atrocities ISIS has been carrying out against Christians and other religious and ethnic minorities constitute genocide. A declaration of genocide is necessary because it will open avenues of aid that would otherwise be unavailable to the victims of genocide. Second, the

U.N. must provide the assistance and security necessary to clean-up the destruction caused by ISIS' genocide and to allow for the lasting resettlement of the victims of ISIS' atrocities, including those who survive the genocide

**CHRISTIAN, SEEK NOT YET REPOSE**

- 1 Christian, seek not yet repose, Hear thy gracious Savior say;  
Thou art in the midst of foes: Watch and pray.
- 2 Principalities and powers, Mustering their unseen array,  
Wait for thy unguarded hours: Watch and pray.
- 3 Gird thy heavenly armor on, Wear it ever night and day;  
Ambushed lies the evil one: Watch and pray.
- 4 Hear the victors who o'ercame, Still they mark each warrior's way;  
All with one sweet voice exclaim, Watch and pray.
- 5 Hear, above all, hear thy Lord, Him thou lovest to obey;  
Hide within thy heart His word: Watch and pray.
- 6 Watch, as if on that alone Hung the issue of the day;  
Pray, that help may be sent down: Watch and pray.

Today, @ 9:47a.m is the last quarter moon

- ❖ This is a period when the occult increase their enchantments, strength and fortification to reap the gains of the righteous that are ignorant using the crescent moon as a sickle.
- ❖ While the witches, sorcerers etc increase their enchantments at the crescent moons, as God's people, proclaim God's word into the heavens as the Spirit of God leads, beginning by instructing all creation to praise the Lord and instructing the moon to fulfil only its God-given purposes and pleasure (Psalm 104:19-20, Ps 136:7-9, Ps 148, Rev 4:11).

- ❖ Proclaim Rev 14:14-20 and ask Jesus to send His own harvester angels who are the true harvesters, to stop every counterfeit spirit that comes to reap the gains of the righteous and bring untimely death and destruction.

### WEDNESDAY, OCTOBER 03

- ❖ Command guardian angels with drawn swords to watch at the gates of this new season.
- ❖ Declare that anything that is not glorifying to Jehovah including language, activity, character will not be allowed to cross the threshold of this new season especially in areas of governance, politics, diplomacy and the economy. Rev 21:27
- ❖ Ask the Holy Spirit to teach you to interact with and utilize the angelic forces that are at your disposal for we are in a season of extremely high spiritual activities especially in the heavens.
- ❖ Pray that during this month you will be endued with power from on High so that every Jehovah-given assignment you will conceive will have a supernatural influence. Everything you do will be redemptive and will bring a level of transformation to all whom you influence at every level of society. Luke 1.35.

### THURSDAY, OCTOBER 04

- ❖ Proclaim Job 36:26-37:13, Jer 10.13, and utter the voice of Jehovah over this new gate and new season to silence every other contrary voice.
- ❖ Read Psalm 136:7-9; Command the heavens to reject every contrary instruction to do anything that they are not ordained to do by Jehovah. They will do only His bidding i.e. to glorify Him and give Him pleasure, to govern the times and seasons of the days ahead according to His purposes alone.
- ❖ Proclaim Heb 12.24, Col 2.14-15; Utter the voice of the blood of Yeshua over the heavens and every gate of this new season. Blot out with the blood of Yeshua, the record of every other contrary voice to the purposes of Jehovah from the heavens, and from every gate of this new season.
- ❖ Read Heb 1.14, Psalm 34.7, 91.11, 103.20, Ask the Holy Spirit to teach you to interact with and utilize the angelic forces that are at your disposal for we are in a season of extremely high spiritual activity.

### FRIDAY, OCTOBER 05

- ❖ Command the gates of this month to be lifted up so that the King of glory may be ushered in. These are the gates of a new month, gates of autumn and the last quarter of the year 2018.
- ❖ Command guardian angels with drawn swords to watch at the gates of this new season.
- ❖ Declare that anything that is not YHVH glorifying including language, activity, character will not be allowed to cross the threshold of this new season especially in areas of governance, politics, diplomacy and the economy. Rev 21:27
- ❖ Ask the Holy Spirit to teach you to interact with and utilize the angelic forces that are at your disposal for we are in a season of extremely high spiritual activity especially in the heavens.
- ❖ Utter the voice of the blood of Yeshua into the heavens. Heb 12:24. Pray that the voice of the Lord will blot out every other voice that is commanding the heavens to do anything in this season. Colossian 2:14-15.

### SATURDAY, OCTOBER 06

- ❖ On 6th October 1973 the Arab-Israeli war commenced. This year marks the 45th anniversary of that war. Many who were affected by that war revive bitter memories of the war and stir up hatred for Israel.
- ❖ Pray that during this particular month, Jehovah will raise Arab and Jewish Kingdom citizens, who will begin to use these emotions to turn to Him and bring these people groups before Him.
- ❖ One out of every five people in Israel--including tens of thousands of Holocaust survivors are living in poverty. A fifth of the people are below the poverty line. Proclaim Psalm 83, 122 and Isa 49 over Israel in this season.
- ❖ Pray for the wisdom of God for the leaders of Israel. Pray for the Body of Christ in that nation.

### SUNDAY, OCTOBER 07

- ❖ Prophecy Isa 60:18 at the gates of this month and into every moment of the coming month.
- ❖ Close the gates of this coming month to the voice print from the kingdom of darkness and render those voices unrecognizable and blotted out by the voice of the blood of Yeshua. Prophetically post this scripture on every doorway, gateway, you will come through and every wall of every building you will enter throughout the month. (Heb 12:24)
- ❖ This is a season of surplus above the perfect seven, a season of plenteousness, abundance and plenty. Pray that the virtues of this season will manifest in your life, your family, and the Church (Psalm 65:9-13).

### MONDAY, OCTOBER 08

- ❖ Instruct this new month to submit to Jehovah and ask Him to use every moment of the month to His own glory.
- ❖ Command each day of the month to heed only the instruction of Jehovah and not that of any other voice (James 4:7a)
- ❖ Pray through Psalm 29 and silence every other voice that speaks any plan that is contrary to the purposes of God for your life, family, the Church and your territory at large.
- ❖ Command the angels assigned for this month to ensure that nothing will go through the gates of this month that is contrary to His purpose and plan.

Today, @ 3:47a.m is the new moon

- ❖ At the new moon, praise the Lord for creating the moon for times and seasons. Command every other manipulation be rendered powerless.

- ❖ Praise Jehovah during this season of heightened intercession as you usher in the new month. Take time to gather as an individual or in your family and worship the Lord for the new month.
- ❖ Proclaim Psalm 24:7-10 over the gates of the new month as its marked by the new moon. Plant prophetic seeds of prayer by prophesying good things you want to see within the month concerning your life, family, the body of Christ and your territory.
- ❖ Hecate is a demon goddess of dark places often associated with familiar spirits, ghosts and sorcery. Proclaim Isaiah 60:18-20 over every gate of your life, the body of Christ and society at large. Whatever does not praise Jehovah and bring redemption cannot be allowed in your life and territory during the new moon.

#### WEDNESDAY, OCTOBER 10

- ❖ The number 10 signifies the perfection of divine order. Is there any sense of disorder in your life, family or in your territory?
- ❖ Pray that during this tenth Gregorian month, the Holy Spirit who brings order into any chaotic, formless or void situation will brood over your life and as many believers that are seeking His stability.
- ❖ Read Rev 22:2. Pray that the virtues of the fruit for the 10th month will be released in your life.
- ❖ Pray concerning any areas of healing that you require in your own life, in your family, among kingdom citizens and in your territory. Ask that the Lord will release this month's portion of the leaves from the tree of life which are for the healing of the nations.

#### THURSDAY, OCTOBER 11

- ❖ This is a month of preparing to go into hibernation.
- ❖ Just like the little ants, which gather all summer and autumn so that they can be prepared for the hibernation and Sabbath season of rest and recuperation, prepare to take up more times of communing with the Lord as the year winds down to a close.
- ❖ Take prolonged seasons of reflection, word study, song ministration to the Lord which is the purpose of a Sabbath year. (Prov 6:6-11)
- ❖ Just like the animals that prepare to hibernate ask the Lord to take you through a dying off of the old carnal nature, and an entering into rest in Him. (Col 3:3)

#### FRIDAY, OCTOBER 12

- ❖ Prophecy Isa 60:18 at the gates of this month and into every moment of the coming month. Close the gates of this coming month to the voice print from the kingdom of darkness and render those voices unrecognizable and blotted out by the voice of the blood of Yeshua. Prophetically post this scripture on every doorway, gateway, you will come through and every wall of every building you will enter throughout the month. (Heb 12:24)
- ❖ This is a season of surplus above the perfect seven, a season of plenteousness, abundance and plenty. Pray that the virtues of this season will be manifest in your life, your family, the body of Messiah and your territory at large (Psalm 65:9-13).

#### SATURDAY, OCTOBER 13

- ❖ Read Matt 8:24-27. These are turbulent times morally, financially, politically, socially and even in weather patterns. No matter what turbulence there is in the world, the seasons of Jehovah continue unperturbed. Nature prepares to go into hibernation

during this season while men fret and are tossed about. Resting has an inference of trusting.

- ❖ Pray that your trust in Jehovah will increase in this season and you will enter into His rest no matter the circumstances you are in. As you rest in Him, may the great storms bring about a great calm; pray for your family and your church.
- ❖ Read Psalm 32:6-7: Even as Noah's family was saved in the ark, ask Jehovah to create and ark for you, a hiding place while the world is drowning in human and natural disasters and refuses to receive Jehovah's prophetic directions.

SUNDAY, OCTOBER 14

- ❖ Read Mark 4.14,16-17 Persecution comes for the sake of the word. Are you going thru a tough season? Could it be that every persecution the enemy has targeted you with, is to attempt to kill the incorruptible seed of the word of Jehovah concerning your life and circumstance?
- ❖ Could it be that there is enough of the word of Jehovah through prophetic words, through scriptural proclamations that have been planted in your life to attract the enemy's persecution? Is it time to rejoice or be despondent about your circumstance?
- ❖ If your situation has been one of great trial and challenge after challenge, then it informs you that there is something worth fighting for growing inside you. Once it bears fruit, once it manifests, it will be limitless amount of seed to bless you and bless others.
- ❖ Ask Jehovah to open your eyes so you can see the truth against every lying physical circumstance that may cause you to doubt the seed of His word in your life and circumstance.

MONDAY, OCTOBER 15

- ❖ Read James 5:7-10, and Take time to revisit all the prophetic words, all the scripture proclamations you have had over the past season.
- ❖ Have you been believing Jehovah for healing? Have you been believing Him for provision or for promotion? Does the opposite seem to be true instead? Then the enemy is persecuting you for the sake of the word.
- ❖ It is by your words that you will either water and nurture the seed of the word planted in your life or by your words that you will uproot that seed, never to germinate. Which one will it be? Present yourself and each word before Jehovah and deliberately examine where the enemy has brought a counterfeit circumstance to rob you of the truth.

Today, @ 6:02p.m is the first quarter moon

- ❖ When the shape of the moon looks like a D or its mirror image (quarter moons), it is a bow. Marabouts and those who prognosticate using the quarter moon's influences, shoot arrows of destruction at the righteous.
- ❖ Read Gen 1:14-17, Psalm 104:19. Command the quarter moons to praise Jehovah.
- ❖ Command the heavens to only respond to the bidding of their Maker, and to do what He created them to do – give Him pleasure, display His glory, be great lights providing light, to be signs and to mark the times and seasons. They should not be engaged in any other activity, which is not permitted by Jehovah.

### WEDNESDAY, OCTOBER 17

- ❖ Are you are going through a very difficult season, plagued with exhaustion, loss of focus, loss of relationship, lack of joy or creativity?
- ❖ Could it be that the Lord would have you find a time to simply step out of that particular ring and literally rest – be inactive in your mind, your spirit and your body.
- ❖ Taking literal rest is a decision. It does not mean that pressure is not high or that you have time. You create time for rest. Only you can allow your tag-team partner Jesus, to step in and fight for you.
- ❖ If you have never thought to ask the Lord to become your tag team partner, this is a good season to invite Him into your life. (Exodus 14:10-14)
- ❖ Just like the animals that prepare to hibernate ask the Lord to take you through a dying off of the old carnal nature, and an entering into rest in Him. (Col 3:3).

### THURSDAY, OCTOBER 18

- ❖ Prophecy Isa 9:6-7, Dan 7:27. Pray for righteous and just government, governance and political practices which will boost the development of nations and raise the moral and living standards of the people.
- ❖ Prophecy Proverbs 11:11, 28:2; Isa 16:5. Declare leaders in government who will pattern these scriptures and fulfil the Lord's agenda in your nation and allow for a Godly principality over the territory by their righteous and just ways.
- ❖ Read Proverbs 24:5, Eccl 7:19, 9:14-18 and prophetically declare wise defence and security leaders who will work strategies that bring peace for the entire territory; they do not just favour few portions of it.

### FRIDAY, OCTOBER 19

- ❖ There have been many flooding, typhoon, hurricane, earthquakes, stabbings, lone and mass shootings, suicide bombs and terrorist attacks this year in many parts of the world that have claimed many lives and destroyed properties.
- ❖ Pray for the healing of individuals, families and nations that suffered losses, businesses that were affected, employers and employees that have lost their livelihood because of these events. Pray that the Messiah, who comforts, will raise people and situations that will hasten the healing process.
- ❖ Proclaim 2 Tim 1:7 - Pray against fear that comes upon a territory when such an event takes place. Pray against the spirit of fear among the people for that is bondage to terrorists. Pray that the Holy Spirit will brood over the nations and release a spirit of power, love and a sound mind shielded from deep traumatic effects of the events.

### SATURDAY, OCTOBER 20

- ❖ There are forces that hinder you from entering into this season of Jehovah's goodness and favor.

- ❖ Activate the divisive nature of the number 2 in this second Jewish month to divide the tongues of those fomenting trouble in every anti-Yaweh gathering against your life, family, the Body of Christ and your territory. (Jeremiah 49:36)
- ❖ Ask God to prepare you to become the kind of good ground that will receive His word and bring forth a bumper harvest. Pray this for your family, church, nation and the continent (Matt 13:23)
- ❖ Just like the animals that prepare to hibernate ask God to help you enter into a deeper understanding and experience of rest in Him as He replenishes and renews you for the coming season. (Col 3:3, Hebrew 4:9-11).

#### SUNDAY, OCTOBER 21

- ❖ Declare the extinction of the Islamic militants worldwide who now use the military uniforms to wreck havoc. Many precious lives and properties have been lost. Many have become refugees in their own land.
- ❖ Decree confusion in their camps.
- ❖ Pray that God will arise and scatter them.
- ❖ Pray that God will make their source of finances will dry up.
- ❖ Pray that the bowels of every believer worldwide will churn with pain in our hearts so we will not hold our peace in preaching the gospel of salvation to the dying world because of the alarm of war. (Jer 4:19-20;Is 52:7;Nah 1:15a; Rom 10:15)
- ❖ Pray that God will unmask and disgrace Isis, Boko Haram, Al-Shabab, Al-Queda, Taliban, Hezbollah etc. and their supporters.

#### MONDAY, OCTOBER 22

- ❖ Pray that the sense of stability will be your portion contrary to anything that anyone or any situation is saying.
- ❖ Pray that Jehovah will be the rock upon which you will rest your anchor (Hebrews 6:19-20, Psalm 46:1-3; 18:1-3).
- ❖ Pray that in any area that you have lost faith or become discouraged concerning God's promises, the Holy Spirit will fill you with songs of deliverance and give you a sign to encourage you to continue standing on God's word even when circumstances are contrary. Pray this concerning personal promises and prophecies in your family, your church, nation and continent (Isa 55:10-11, Isa 40:8, Ps 32:6-8).

#### TUESDAY, OCTOBER 23

- ❖ We are dealing with a spirit of lawlessness. All lawlessness is rebellion. The Bible tells us that there will be escalated lawlessness in these last days. In order to pray effectively we ought to understand the level of lawlessness we are dealing with.
- ❖ What is going on is a spirit of rebellion which is similar to witchcraft as revealed in 1 Sam 15:23. Witchcraft is not only a power or religion or spirit. It is a foundational principle or operating system of a kingdom. In breaking away from the kingdom of YHVH, Lucifer committed high treason and instituted an opposing kingdom with himself as its ruler. He formed the kingdom of darkness which operates on the principle of rebellion and therefore a kingdom of witchcraft.
- ❖ The subject of pillars of kingdoms is very deep and vast but for purposes of prayer this is a small brief: Proverbs 9.1 informs us that Wisdom builds her house hewn on 7 pillars. Every household, whether, the nuclear family unit, or a clan, tribe, nation or a kingdom, is established on 7 clearly definable pillars.

Today, @ 4:47 p.m. is the full moon

- ❖ During the full moon the gravitational pull of the moon causes a destabilization of waters of the earth. There is ebbing and flowing of the tides at its maximum. The human body is more than 70% water and therefore it gets affected by the moons gravitational pull. That is why many dogs will howl during the full moon. There is heightened sexual immorality, mental illness and other adverse effects.
- ❖ Proclaim Psalm 148:3 As the moon is fully manifest, command it to praise Jehovah.
- ❖ Read Psalm 18:29-45, 144:1-During the full moon season, increase your times of prayer and seeking Jehovah. Ask for discernment to know 2 how to pray and also do battle where it is required as the enemy also uses this season to carry out a lot of occult practices.
- ❖ Declare the shalom of Jehovah over all the waters of your body. You will not be adversely affected by the moon in its full moon season.
- ❖ Read Psalm 121:5-6. Declare that the full moon will not smite you by night nor shall its gravitational pull affect you adversely.
- ❖ Read Deut 33:13-1. 4 At the full moon the prophetic seeds of prayer for the month reach their maturity. Command the full moon to begin to release with its waning, the answers to prophetic seeds of prayer you made during the new moon.

#### THURSDAY, OCTOBER 25

- ❖ Pray for Biblical and moral constitutional definition and values for families, Psalm 127, 128.
- ❖ Ask for the restoration of the proper Godly patterns for family and marriage and for the Holy Spirit to reveal the futility of any other pattern that was not originally set out by the Lord.
- ❖ Pray for government, governance and political practices which will boost the development of the nations and raise the moral and living standards of the people Proverbs 28:2-4.
- ❖ Pray for nations that have turned heavily to secular humanism because of the relative successes they have enjoyed in areas of economic development. Many of these nations have become centres of immorality and defiance of the Lord.
- ❖ Pray that the Lord will in this season do something that will cause the people in these nations to turn their hearts back to Him.

#### FRIDAY, OCTOBER 26

- ❖ Read Matt 16:21-23 and 1 Cor 16:9. At every new door of opportunity there are wicked enemies that will resist your entrance. They may attempt to wrestle the keys of access from you.
- ❖ Not long after he received revelation and release into authority, Peter was used by the enemy to try and stop the Lord's fulfilment of the very destiny that would establish

the church. The enemy does not use someone or an outside occurrence to wrestle your entry into a new season; he will use you first to stop your own entry by either missing the door or losing the revelatory keys of access.

- ❖ Pray that neither you nor any other person or demon shall hinder your entrance into the new season and new gates.

#### SATURDAY, OCTOBER 27

- ❖ We are in a season where the Lord is using the fan in His hand to winnow and thoroughly purge, remove or separate those He recognizes among His people as wheat from those He considers chaff. The wheat will be gathered into His barn or garner (Heaven) but the chaff will be burned with an unquenchable fire (hell fire) (Mat 3:12; Lk 3:17)
- ❖ Beloved, will the Lord recognize you as wheat or as chaff? You must judge yourself in this matter because he who is spiritual judges all things.
- ❖ If you find out by the standard of God's word that you cannot be counted as wheat, then quickly deliver yourself by sorrowing in a godly manner because godly sorrow produces repentance leading to salvation. (1 Cor 2:15; 2 Cor 7:9-10)

#### SUNDAY, OCTOBER 28

- ❖ How many in the body of Christ round the world will the Lord find as wheat in this season? Many are living their lives by self will and not fulfilling the Lord's will because their lifestyle is dictated by what is convenient to them, what is pleasing to them, what best suites them by their own standards and not by the Lord's standard, what they like or dislike etc. Their lives are all about themselves and not about God.
- ❖ How much wheat will the Lord find? Spend time before the Lord in deep sorrow of heart and mind and stand in the gap for the deliverance of God's people, if not, many will be among those the Lord will say "I know you not... depart from me, all ye workers of iniquity" irrespective of what they ever achieved for the kingdom of God! (2 Cor 7:9-10; Eze 22:30)
- ❖ Repent and ask the Lord to take you, your family, marriage, business, workers, the members of the Body of Christ etc. through the process of separation, freely allowing Him to separate you by the blood of Jesus from anything that has bound your spirit, mind, emotions, will, heart, conscience, temperaments, dispositions, character and world view so much so that, it has coloured your way of thinking, your day to day life choices and as a result you have departed from God's set standards for His people. You now live daily in iniquity and you are not even aware of it. Fervently pray with the following scriptures for separation (Acts 3:19; 1 John 1:7; Eph 2:13; Acts 20:28c).

#### MONDAY, OCTOBER 29

- ❖ In Gen 1:18, one of the functions of the two great lights that God set in the firmament of the heavens is to divide the light from the darkness. God is light and in Him is no darkness at all (1 Joh 1:5). This is the season in which the light emanating from God will divide those who are of light from those who are of darkness.
- ❖ Amongst people classified as the body of Christ, every individual looks "holy" and "reputable" from man's assessment because man looks on the outward appearance, but the Lord looks on the heart (1 Sam 16:7). The Lord sees the heart of man those who are His sheep and those who are not; He knows those who truly belong to His Kingdom of light and those who are synagogues of Satan (Rev 2:9). This is the season of division; He is separating these two groups of people within the body of Christ!

- ❖ In which group are you located? Are you amongst those of light or of darkness? This is a period of deep soul searching, critical self- examination, and self- realization of blunt truth - on which side of the truth of the word of God are you? Have you been operating on “Truth” as Jesus, the word of God is the Way, the Truth and the Life? Or have your life been daily led and controlled by half-truth or seaming truth?
- ❖ Whatever the answers are, face them and repent immediately if there is need for repentance. Ask the Lord to take away all iniquity and receive you graciously; then turn with all your heart to the Lord and let your life embrace “Truth” completely; if not, you will be heading to eternal damnation because God is no respecter of persons nor does He take bribes! (Dan 9:3-19; Hos 14:2; Joel 2:12-13)

TUESDAY, OCTOBER 30

- ❖ Intercede incessantly for the Body of Christ as a whole, that the Spirit of God will prompt every member to totally cleanse themselves from all filthiness of the flesh and spirit, completely living their daily lives in holiness and in the fear of God. (2 Cor 7:1)
- ❖ Pray that the Spirit of God will help you make intercession for your nation, especially for the nations of the continent of Africa because a time is fast approaching when the nations shall be gathered before the Lord and He shall separate them one from another as a shepherd divides his sheep from the goats: He shall set the sheep on His right hand but the goats on the left. He will send the sheep to inherit the kingdom prepared for them from the foundation of the world; and the goats He will send away cursed into everlasting fire prepared for the devil and his angels! (Rom 8:26-27; Mat 25:31-46)
- ❖ It is also a season of the manifestation of stark realities: Yes, the bare or stark realities of the truth of which group every member of the Body of Christ belong to: whether one belongs to the group God considers light or whether one belongs to the group God considers darkness.

Today, @ 4:42p.m is the last quarter moon

- ❖ Praise God for today, the last day of the tenth Gregorian month.
- ❖ Praise Him for the blessings He bestowed you with. The Lord is good and faithful.
- ❖ The occult have sharpened their tongues like a serpent, adders’ poison is under their lips with which they fill the land with violence as they instruct the quarter moons with words of violence, failure, rebellion against authority, health challenges, accidents, marriage annulments, riots etc. They also use the crescent moon as bows with which to shoot darts of wickedness at the righteous.
- ❖ Pray and nullify such utterances (bitter words) on their lips with the blood of Jesus. Pray that the blood of Jesus will answer for you when the enemy tries to raise any

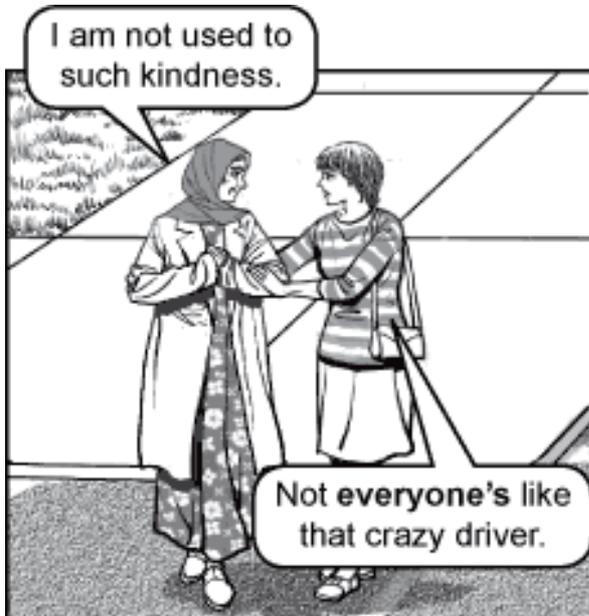

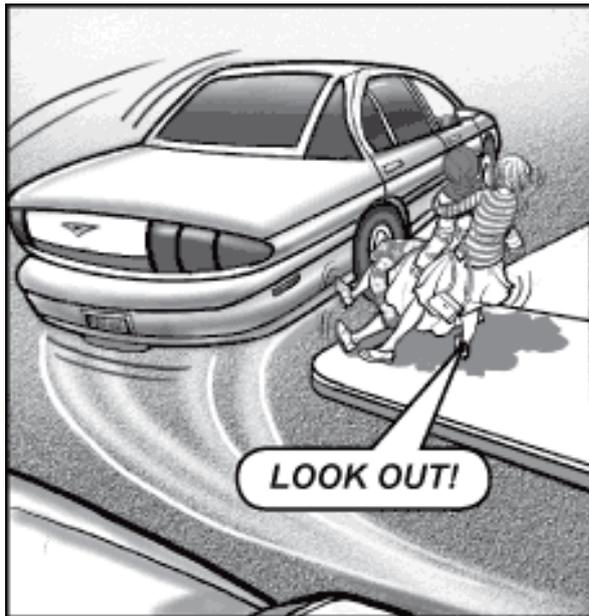

accusation against you. (Ps 140:1-3; Ps 64:3-4; Col 2:14).

- ❖ Pray that you will be continually fully covered in the armour of God and the shield of faith will quench any fiery darts of the enemy that are aimed at you. (Eph 6:10-13, Psalm 91).
- ❖ The occult celebrate the Halloween this day. Pray that as the heavens declare Jesus Christ the Redeemer and give glory to Him, the heavens shall speak to the earth, and everywhere that men are raising altars or servicing altars from the earth to demon gods, the earth will rise to resist those altars of death;
- ❖ Pray that wherever men have made covenant with death and the grave, the earth shall reject them, and rise to fight against every counterfeit; as it responds to the heaven declaring that Jesus Christ is the Redeemer and Giver of life.
- ❖ Declare that in this season of high spiritual activity, angelic assistance for every God ordained endeavour will be afforded you, and Kingdom citizens all over the world. Declare that every territory that such kingdom citizens occupy will be a no-flight zone for any wickedness; and the heavens over you shall yield forth its best, and the earth, will bring forth its best for you.

## Faithful

At age 30 He told His people about God's kingdom.

Jesus taught, healed their sick,

cast out devils and raised the dead.

They loved Him for all of this. But soon they turned on Him.

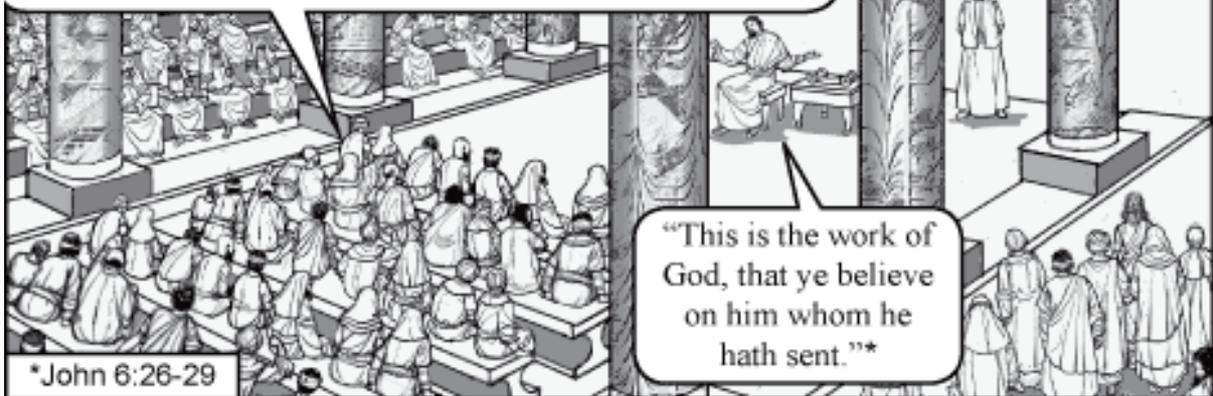

One day Jesus fed 5,000 men (plus women and children) with just 5 loaves and two fishes.

They were ready to make Him king, but He left in the night. The next day they found Him in the Capernaum synagogue. (This story is found in John 6.)

They wanted more free food! But Jesus saw through their scheme. He told them to labour (work) for the food that "endureth unto everlasting life."

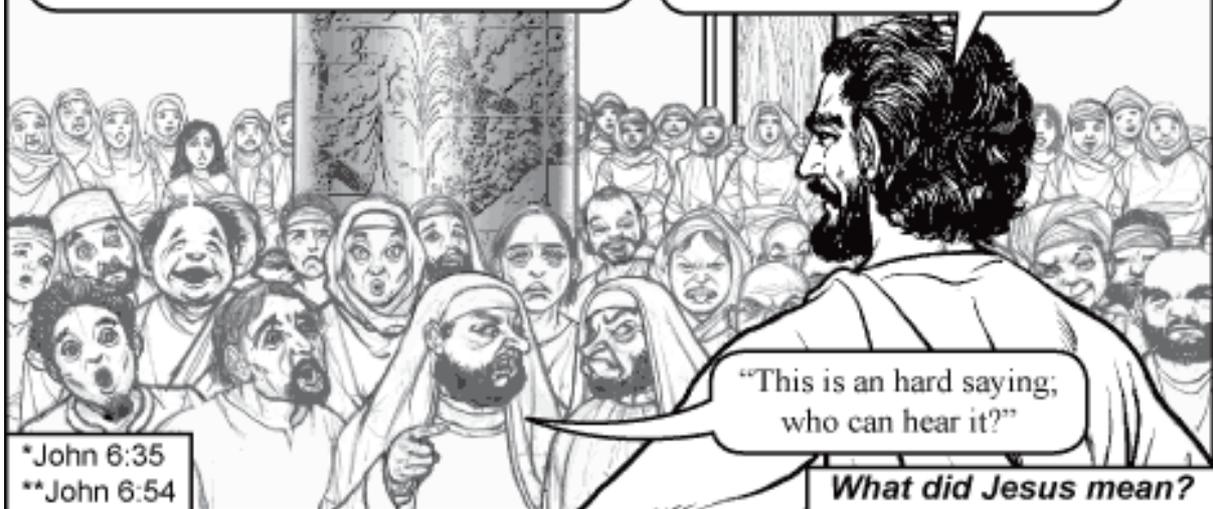

"What shall we do, that we might work the works of God?"

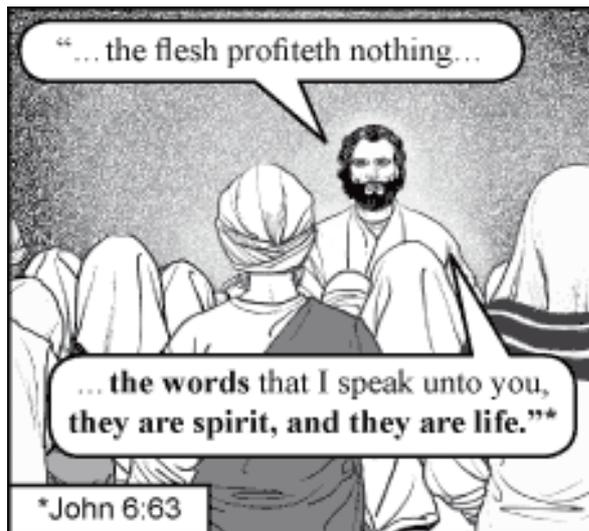

The "work" that God wanted was for them to **believe on Jesus!** Then He revealed who His true followers were, when He said these mysterious words...

"I am the bread of life."\* "Whoso eateth my flesh, and drinketh my blood..."

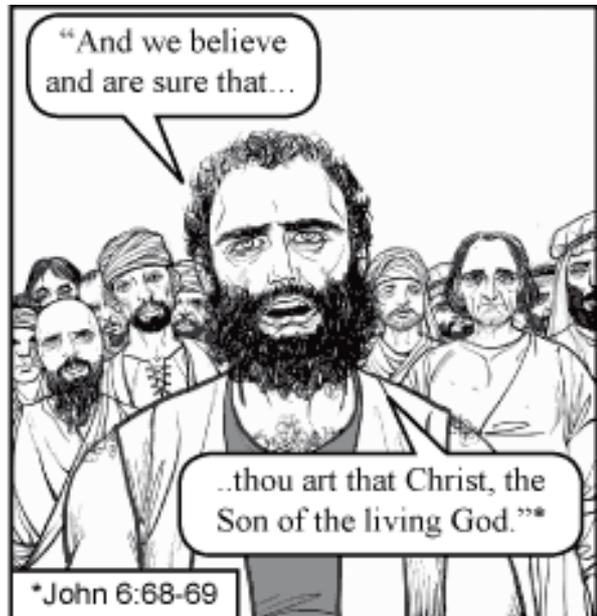

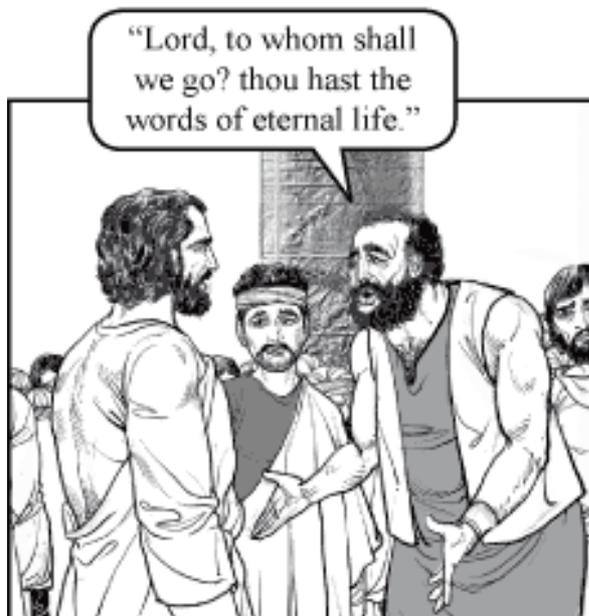

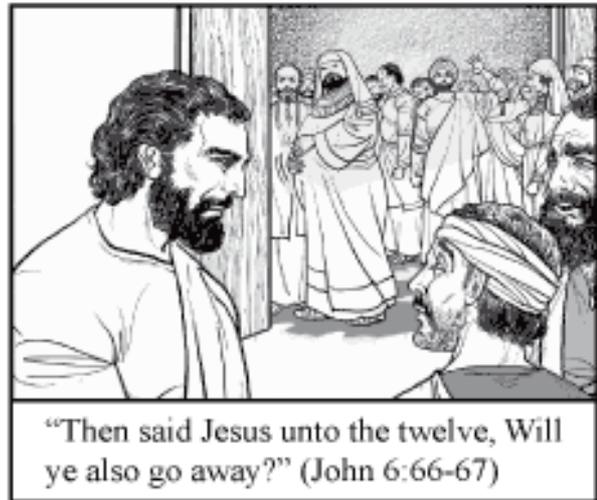

... hath eternal life; and I will raise him up at the last day."\*\*

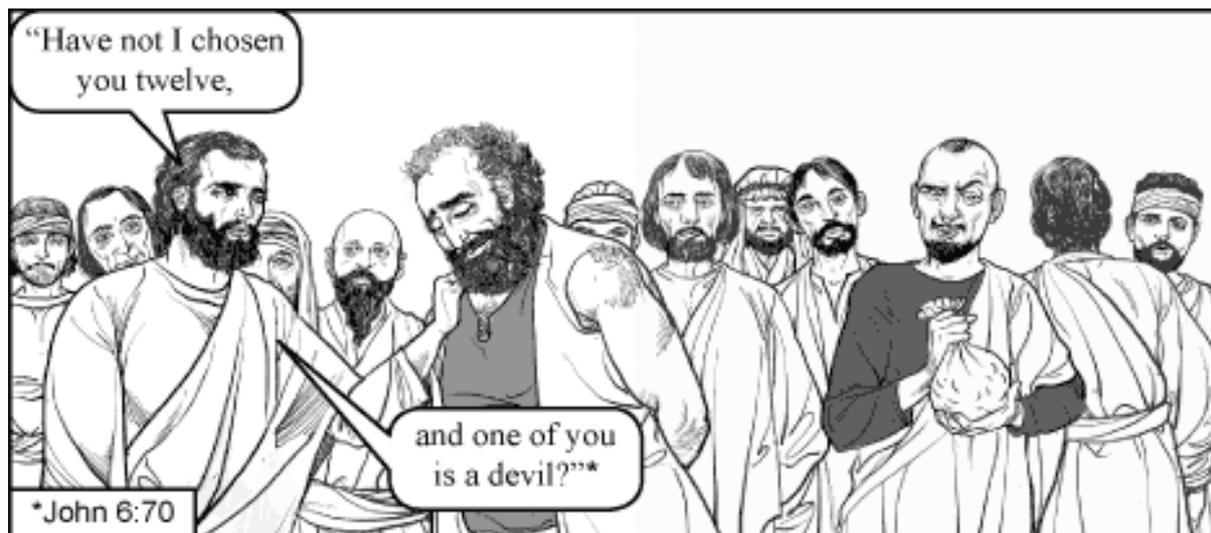

Jesus spoke *spiritually!* This was about faith—not food!

No more free food? Jesus is the bread? That was it? Many fake followers left Jesus.

Jesus was referring to Judas. Satan himself would use him for the lowest crime imaginable.

Judas betrayed Jesus to the chief priests...

...for 30 pieces of silver. He sold his Master for the price of a servant.\*

\*See Matthew 26:15; Exodus 21:32.

Some\* unleashed their hatred on Jesus.

He was beaten, whipped, and finally condemned to die on a cross.

\*Even servants! See Mark 14:65

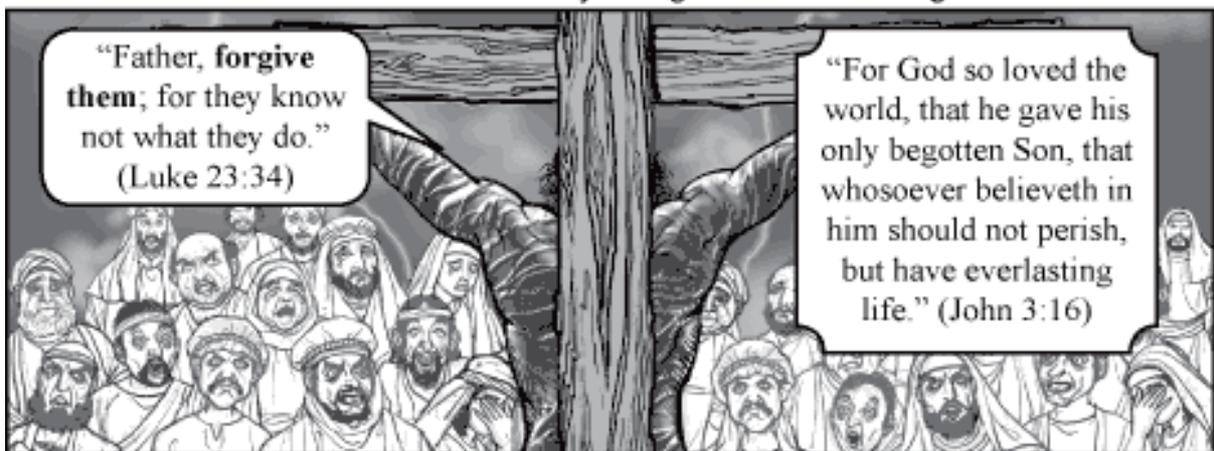

But Jesus is God's Son! The Lord Jesus could have commanded His holy angels to kill them all and deliver Him from their hands.\*

\*See Matthew 26:53.

*Why didn't He?*

In some religions, it is "faithful" to take revenge. But Jesus was faithful to His Father by doing the hardest thing of all:

"Father, **forgive them**; for they know not what they do."  
(Luke 23:34)

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." (John 3:16)

Jesus **forgave** them! Then He took the punishment for all our sins upon Himself! That's why the Bible says, "with his stripes we are healed." (Isaiah 53:5; 1 Peter 2:24)

The **hardest** thing to do is forgive someone who abuses us.

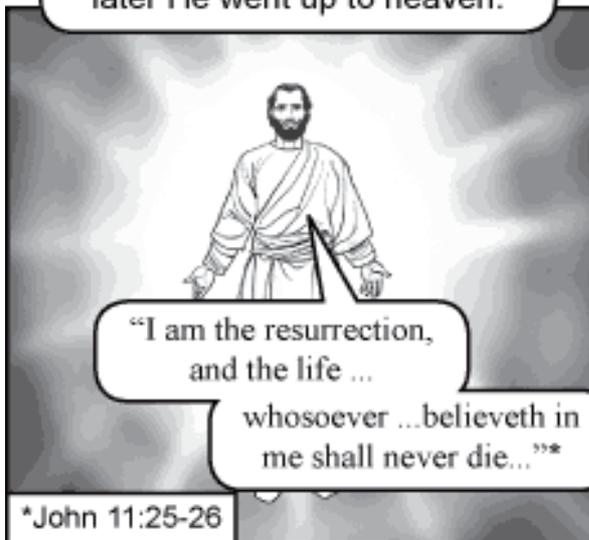

And yet that is what Jesus did, as an example for us.

He paid the ultimate price. He died and was buried in a tomb.

But three days later...
